The screenshot shows the FormosaSoft website's download page. At the top, there is a navigation bar with the text '台灣數位學習科技' and a search bar. Below the navigation bar, the main header features the FormosaSoft logo and the tagline 'Simple yet Powerful 我們致力於開發操作直覺、功能卻不簡單的軟體'. The page is divided into two main sections: 'EverCam' (orange background) and 'EverCam Point' (blue background). Each section has a prominent '立即下載' (Download Now) button with version numbers: (v9.0.200312) for EverCam and (beta3.200204) for EverCam Point. Below these sections, there are three columns of links: 'PowerCam / EverCam 舊版本下載' (Older versions of PowerCam/ EverCam), '安裝播放軟體' (Install playback software), and '常見問題' (FAQ). The 'Older versions' column lists links for EverCam 8, EverCam 7, PowerCam 6, and comparison tables. The 'Install playback software' column lists links for EverCam Player 7, PowerCam Player 6, and PowerCam Player 5. The 'FAQ' column lists links for browser/mobile issues, upgrade instructions, and trial versions.
